This standard base map was compiled in accordance with the New Mexico Election Code, Sections 1-3-1 (E) and 1-3-12 (B) by the Earth Data Analysis Center, The University of New Mexico, as contracted by the State of New Mexico, Secretary of State's Office (NMSoS).

The purpose of this map is to display geographic boundaries and features to be utilized in the adjustment of precinct boundaries. It shows the following geospatial data (as applicable): Federal Congressional Districts, State Senate Districts, State Representative Districts, voting precincts, County boundaries, County Commission Districts, City Council Districts, Public Education Commission Districts, School Districts, Tribal Land boundaries, US Census incorporated places, military installations, prison boundaries, local roads, and railroad tracks. Esri's "Topographic" base map serves as background, providing a view of topographic features including mountains, rivers/streams, and major roads with labels.
